Full-Stack Developer

✉mattkubota5@gmail.com ☎808.469.1225 📍New York City in mtkubota 🌐mattk5

## Summary

---

Full-Stack Developer with a background in Retail Management who's passionate about problem solving and creating amazing products. I'm inspired and detail oriented when writing code and always striving for challenges that strengthen my technical skills while collaborating with other creative minds.

## Skills

---

**LANGUAGES:** Ruby, JavaScript, HTML, CSS

**TECHNOLOGIES:** Ruby on Rails, JQuery, ReactJS, RSpec, GitHub, Sinatra, Active Record, PostgreSQL, NodeJS, ExpressJS

**METHODS::** Test-Driven Development, Git Workflow, Web Development, Pair-Programming, JIRA, Agile

## Projects

---

### Find Me Here

A Ruby on Rails project that allows the user to send their current location in an SMS to contacts of their choice.

Technologies: Ruby on Rails, PostgreSQL, Bootstrap, Git Workflow

### BizCard

A two-person Express-React project built over the course of a month that provides the user with a simple interface to search a company's contact information.

Technologies: NodeJS, ExpressJS, ReactJS, Bootstrap, Google Places API, Git Workflow

### Bot or Not

A four-person React-Rails project built in 7-days that is an in person multi-player bluffing game. A team of robots disguised as humans attempt to conquer the world unless you can complete your mission of discovering and stopping them.

Technologies: ReactJS, Ruby on Rails, PostgreSQL, Bootstrap, Git Workflow

## Education

---

### Dev Bootcamp

Full-Stack Developer 2016

Completed an immersive 18-week web development course learning Ruby, Javascript, Rails, RSpec & Git. With a focus on pair-programming we completed algorithm challenges, created test-driven development programs and object-oriented programs.

## Experience

---

**J. Crew, Sales Associate, New York, New York**

Oct 2016 - Current

Creates clothing options for customers based off of meaningful connections created through great customer service. Drives sales by suggesting items that complement pieces chosen by the customer.

**The Vitamin Shoppe, Store Manager, Kaneohe, Hawaii**

Aug 2014 - Jun 2016

Created and executed initiatives which increased customer base and exceeded sales goals for the fiscal year. Implemented customized development plans and as a result, team members were able to grow and progress within the company. Ensured that store operations fell within budget and inventory levels were consistent.

**The Vitamin Shoppe, Assistant Store Manager, Kapolei, Hawaii**

Apr 2012 - Aug 2014

Partnered with team members to ensure that excellent customer service was delivered to each customer. Charged with developing team members in preparation for future advancement within the company.
